

County, Iowa. The 100th anniversary is a testament to the great work that is performed every day by the staff at the Fremont County Extension.

Established 100 years ago in 1918, the Fremont County Extension hired its first extension agent that year after the Iowa State Legislature passed the Extension Act. The Extension agency provides needed research-based information to Fremont County. The services include 4-H youth programs, agriculture and natural resources research and assistance, human sciences, and community economic development. Mandy Maher, Program Coordinator for the Iowa State University Extension and Outreach-Fremont County said, "One hundred years ago, Fremont County Extension was organized, and the mission then was and is similar to what it is today, to provide education and build partnerships designed to solve today's issues and prepare for the future."

Mr. Speaker, I commend the Fremont County Extension and its staff for providing dedicated, committed, and crucial services to families and individuals every day. I urge my colleagues in the U.S. House of Representatives to join me in congratulating Fremont County Extension for achieving 100 years of service. I wish the Fremont County Extension and all of the staff continued success in the future.

CONGRATULATING THE FLOWERY BRANCH HIGH SCHOOL BOYS' TENNIS TEAM

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 25, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to congratulate the Flowery Branch

High School boys' tennis team on winning the state title—the first championship in the program's history.

The Falcons persevered through a difficult season, enduring illnesses, short-handed line-ups, and an exhausting postseason. Despite these challenges, the team continued to exhibit their best effort and earned a spot in the championship against Buford High School.

With only two starting seniors, this young team had never advanced past the second round of playoffs.

After a four-hour match, Jack Thomas—one of the team's freshmen players—overcame an opponent who had defeated him twice before and helped his team clinch the victory.

Mr. Speaker, this group of young men remind Northeast Georgians that hard work paves the road to success. I am honored to highlight the Falcons' achievement and congratulate the team on their outstanding season.

RECOGNIZING CAMBRIDGE, ILLINOIS' 175TH ANNIVERSARY

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 25, 2018

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize the town of Cambridge, Illinois on its 175th Anniversary. The community was named by Judge Joseph Tillson in 1843, and has been thriving ever since.

Cambridge, Illinois has a rich history and is an integral part of Henry County. After its founding in 1843, it was incorporated a decade later when J.S. Hinman served as the first village president. Cambridge is an unusual county seat built around two public squares instead of one, which includes Court Square and College Square Park. The first house in the village was built by blacksmith Lord John Russell near the southeast corner of College Square and the courthouse was the heart of the community.

It is because of villages like Cambridge, Illinois that I am especially proud to serve Illinois' 17th Congressional District. Mr. Speaker, I would like to again formally congratulate the village of Cambridge, Illinois on its 175th Anniversary.
